Paris, July 23rd I979

Dear Mister Weissberg,

Mister Charlier is now in Ceylan, until August I5, and will get in touch again with you then.

Nevertheless, you will find enclosed a photocopy of the receipt Miss Sally Turner, from the Canadian Broadcasting Corporation in Paris, gave me, when I handed her your films, for forwarding to "Canadian Broadcasting Corporation" in Montreal.
I must confess that I forgot this receipt bearing the signature of Miss Turner. But you will have so the evidence that Mister Charlier did the best he could, to send you back these films.

I remain,

Yours sincerely,

A. LE HAIN
Secretary of J.M. Charlier
